INFORMATION FOR ORDERING ACTIVITIES APPLICABLE TO ALL SPECIAL ITEM NUMBERS

SPECIAL NOTICE TO AGENCIES Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Acquisition Service. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies. Notwithstanding the foregoing, Contractor shall have no liability for any claim of infringement based on (a) the use of a superseded or altered release of the Software if the infringement would have been avoided by the use of a current unaltered release of the Software, (b) the modification of the Software, (c) the use of the Software other than in accordance with the Documentation or this contract, or (d) any materials or information provided to Contractor by Ordering Activity, for which Ordering Activity shall be solely responsible.

If the Software is held to infringe or are believed by Contractor to infringe, Contractor shall have the option, at its expense, to (a) replace or modify the Software to be non-infringing, or (b) obtain for Ordering Activity a license to continue using the Software. If it is not commercially reasonable to perform either of the foregoing options, then Contractor may terminate the Program license for the infringing Software and refund the license fees paid for the Software upon return of the Software by Ordering Activity. This section states Contractor's entire liability and Ordering Activity's exclusive remedy for any claim of infringement.
